## And the Weekend Celebration of The Great Sovereign-Avataric Holy Event of the Divine "Self"- Emergence

Saturday, January 15th - Sunday, January 16th

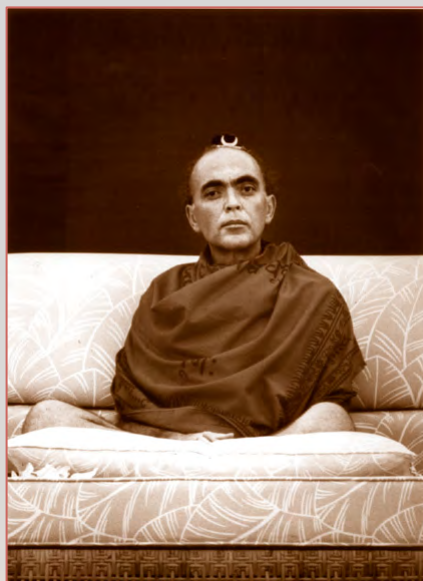

---

*I Am--Dwelling here--and every "where" in the cosmic domain, moment by moment--constantly Dissolving a "Sorrow" more Immense than you can contemplate or imagine. The Overcoming of universal egoic sorrow, and fear, and anger--the Overcoming (in and as every one, and all, and All) of the imposition of apparent "difference", of mortality, of change--Is the Radiant "Bright" Nature of My Divine Avataric Work.*

—Avatar Adi Da Samraj

## Sacred History to this Celebration

Twenty-five years ago, on January 11th, 1986 at 5:30 AM (FJT), the "Heroic" Teaching Work of His Divine Presence, Avatar Adi Da Samraj, spontaneously came to an end as He fell into a profound Yogic Swoon. He later described that in that dramatic moment He descended fully into the Body-Mind Vehicle of His human Birth "down to the toes". As Avatar Adi Da re-associated with the Body—weeping profusely for the plight of the billions of beings on this earth—the Divine Siddhi that had enabled Him to Work with devotees in the manner of His Teaching-years was replaced by a universally magnified Siddhi of Divine Avataric Blessing. The Divine Reality Itself had Fully Acquired Avatar Adi Da's Body-Mind. It became clear that Avatar Adi Da Stands eternally Avatarically "Self"-Emerged as the acausal Divine Person. Only the eternal "Brightness" of His Divine Self-Condition remains from the

Sacrifice of His "Sadhana Years" and His Years of Teaching-Submission.

## The Celebration

The Hermitage Sanctuaries of Adidam Ruchiradam celebrate this Holy Day with twenty-four hour fire pujas. Here at the Adidam Midwest Center, we will honor this Day and its Divine Avataric Significance with a full day and evening program consisting of pujas, recitations, chanting, bodily service, videos of Adi Da speaking about His Divine Avataric "Self"-Emergence, and Darshan. Eileen McCarthy was present at Adi Da Samrajashram in 1986 and will be telling Leelas of that time with Beloved Bhagavan. A sacred puja will be done to coincide with the worldwide pujas throughout Adidam honoring the precise moment of this Great Event at 11:30 CST (12:30 EST) here at the Center. As part of this puja, The Divine Spirit-Tree of Light will be embellished with orange cloth that will remain on the tree through the following weekend of January 15th and 16th.
