

A SPECIAL ANNOUNCEMENT

August 28th, 2012

Dear friends,

On Monday, September 10th, devotees of Avatar Adi Da Samraj around the world celebrate **The Great Sovereign-Avataric Holy Day of the Divine Re-Awakening.**

And throughout September, especially during *the weekend of September 15-16*, we celebrate **The Sovereign-Avataric Holy Month of the Divine Avataric Self-Confession.**

This year marks the 42nd anniversary of Avatar Adi Da's Divine Re-Awakening at the Vedanta Temple in Hollywood, California. In *The Knee Of Listening*, Adi Da vividly describes this culminating moment of in His early-Life Submission:

*I simply sat there and Knew What and Who I Am.
I was Being What I Am, Who I Am.
I Am Being What I Am, Who I Am. I Am Reality.
I Am the One and Only and inherently egoless and
Self-Evidently Divine Self- Condition, Source-Condition, Nature, Substance,
Support, and Ground of all-and-All. I Am the "Bright". There was no thought
involved in This. . . . There was no reaction of either excitement or surprise. I
Am the One I Recognized Reality to Be. I Am That One. I am not merely
experiencing That One.
I Am the "Bright" (p. 320).*

Adi Da's Re-Awakening was the Conscious breakthrough of the "Bright" Divine Self-Condition--Its full and complete manifestation in His own bodily human Form. This, He says, has never happened before. It marked the fulfillment of Adi Da's Submission to humankind for the sake of demonstrating and transcending all the possibilities of human existence. And it initiated His profound Love-Ordeal of Teaching others for the sake of their own Conscious Awakening to ultimate Reality and Truth.

We invite you to join us on this weekend to honor and celebrate this event with videos of Adi Da, sacred chanting, presentations, viewing of Adi Da's Artistic Images, open discussion, vegetarian food, and good company.
