

## Announcing a Very Special Adidam Course . . .

# “RELIGION AND REALITY”

(True Religion Is Not Belief in Any "God"-Idea or Myth, but the Direct Experiential Realization of Reality Itself)

by The Avataric Great Sage,  
**ADI DA SAMRAJ**

**Adi Da Samraj (1939 – 2008)** is a spiritual realizer, whose insights and spiritual revelations are widely regarded as the most forceful, persuasive, and authoritative in the world today. Among his esoteric writings over the past thirty-five years, *Religion and Reality* stands out as a masterfully original critique of conventional, myth-based religion and a brilliantly articulated discussion of the ultimate nature of reality and truth. Here this supremely enlightened master presents a wholly accessible and compelling argument for authentic spiritual realization in the face of all the bewildering doctrines, beliefs, and sacred fantasies of our time.

**With Anthony Costabile**, Director of The Adidam Midwest Center in Chicago and international speaker on the teachings of Adi Da Samraj (and the world's religious and spiritual traditions). Mr. Costabile has been a formal devotee of Adi Da Samraj since 1975, introducing Avatar Adi Da's Wisdom-Teaching to public audiences around the world.
